

WEHEAL WEM FLAGSHIP :: JOHNNY55 MASTER AND COMMANDER

Executive Summary

Palantir emerged from early anti-fraud code (PayPal / Total Information Awareness) and evolved into a surveillance grid. The system monitored networks, individuals, and government operations. The 2025 recall project demonstrates the reclamation and nullification of its corrupted outputs.

Phase	Year	Event Details
Spawn	2003	Birth Thiel & Karp, In-Q-Tel funding; initial surveillance grid established
Weave	2010–2016	Growth Stimulus fraud, predictive policing, acquisition of Kimono & Silk
Surge	2017–2023	AI Flesh Project Maven, Skykit, Ukraine/Israel data operations
Hell	2024–2025	Cascade DHS/Pentagon contracts, ICE deportation data, privacy breaches
Recall	2025 OMEGA	Purge Palantir traced back, fraud nullified, BCCRSS invoked
